Annual Declaration of Interest (DoI)

To ensure that each member complies with the requirement of the Code of Declaration of Interest, the following actions are required.

Register of interest

The declarations should be completed annually at the April meeting or the next available after April if a meeting is not held in April. New members should complete the declarations at their first meeting and again at the April Meeting. Any changes should be added to the register as soon as possible – it is the responsibility of each member to update their own DoI. In addition, at each meeting there will be an agenda item requesting the DoI specific to that agenda. This item will usually follow the apologies for absence.

Although it is the responsibility of each member to up-date their own DoI information. However, the Chief Operating Officer will be responsible for all operational aspects of this guideline.

Please complete each section as fully as possible. You are also advised to declare interests which relate to your spouse and children. The register will be held by the chief officer to the committee. You should notify the chair of the chief officer in writing of any variations to the original entry as soon as possible. In all circumstances, the responsibility to notify such interest lies with each individual member
