of 70 will get  
breast cancer

9 out of 10  
ladies with  
breast cancer  
live, if diagnosed  
through  
screening

# Tunstall Open Day

## Monday 3rd November

### 9.30-12.30pm

### The Breast screening mobile is coming to ASDA Tunstall

- Come along to our open day and meet our friendly female staff
- You can have a tour of the mobile unit and see the mammography X-ray machine
- Chat to our friendly female staff about having a mammogram and what it entails
- Our staff can also advise, if you have any additional needs and what reasonable adjustments we can put in place so that you can have a positive screening experience

Please note:- NO screening will take place on this day
